WITNESS	PAGE
AMY LISTER, M.D.	
By Attorney Klaus	5
By Attorney Elovecky	36

Confidential portion of testimony beginning at  
page 16.

No exhibits marked.

1 that his life was at risk and that it was bad  
2 enough that the FBI had gotten involved.

3 Q. And looking at the bottom of the  
4 page, in this December of 2018, did you change or  
5 alter Father de Laire's prescriptions in any way?  
6 I see under plan it says "continue current meds."  
7 Does that mean in your notes there was no change  
8 in his medication?

9 A. That is how I would read it, yes.

10 Q. Okay. Let's go to page 9. And is  
11 this your note from your session with Father de  
12 Laire from March 13th, 2019?

13 A. Yes.

14 Q. Okay. And again, I apologize, but  
15 the same exercise, if you could read into the  
16 record your handwritten notes under the CC  
17 paragraph.

18 A. I've had a very difficult month or  
19 two. Left -- life threatened multiple times. In  
20 January related to legal -- I'm actually having  
21 trouble with my eyes. I'm really not seeing well.

22 Q. If you can't read your own  
23 handwriting -- again, I suffer from the same  
24 malady -- you can, you know, just say the parts
